Our management fee will purely depend on the scale and complexity of your event, which will govern how much time is needed to professionally oversee all aspects of the process.

Evolve Events management fees start from £3,500.00 + vat and charged at between 10-15% of your overall budget. Any fees paid up front for venue finding will be deducted from the balance due 30 days before your event.

Evolve Events will oversee all contracting/invoicing of food and beverage, styling/production and entertainment on your behalf at the value agreed within a prepared master proposal unless agreed in writing.
